Donations are up for HDM and Cong. - Mail in process started 01/01 - will continue to monitor

    Donations/meal      2008 - .79  
    (no rest.)            2009 - \$1.53

Restaurant Dining - changed suggested donation to \$4 effective 01/01

    2009 - donations/meal down - we see a lot of people continuing to make the \$3 donation and they are not getting more tickets than they are using.

    we cannot record donations by individual, bu when we see patterns of use we are reaching out and offering cost effective alternative such as meal site access, food stamps and other benefits
